

# Certificate of Compliance

This is to certify that the technical documentation for the following products

**Cold Formed Welded Structural Hollow Sections of Non-Alloy and Fine Grain Steels**  
(For detailed specifications refer to annexure of this certificate)

**Manufactured, Supplied and Marketed by**

**International Tube and Conduit Company Ltd. (ITCC)**

**Site: King Abdullah Economic City, Rabigh Jeddah, Saudi Arabia**

complies with the requirements applicable to it. The factory production control and technical documentation has been reviewed and found to comply with

**EN 10219-1:2006**

and Construction Products Regulation or CPR (EU) 305/2011 as declared by organization on Declaration of Conformity.

This voluntary certificate attests that all the provisions concerning the attestation of factory production control described in Annexure III of Construction Product Directive as per System of Attestation of Conformity 4.

The product description, documents, assessment procedures and evaluations of the examination are presented in the Technical Construction File (TCF) retained at manufacturer's place.

This Certificate is issued under the following conditions:

1. The Certificate validity is conditioned by the positive results of the annual surveillance audit and certificate is reissued after each surveillance audit.
2. The Certificate remains valid until the manufacturing conditions, the quality systems or relevant legislation are changed.
3. Any significant changes in the design or process used to manufacture the product / equipment or revision to the directive/s or standard/s referred above may render this certificate invalid.
4. After fulfilling the relevant EU legislation requirements, the manufacture shall affix to each product of the above referenced models, CE- marking according to the following example

This Certificate of compliance is for the exclusive use of ECA's client and is provided pursuant to the agreement between ECA and its Client. ECA's responsibility and liability are limited to the terms and conditions of the agreement. ECA assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Certificate of compliance. Only the Client is authorized to permit copying or distribution of this Certificate of compliance. Any use of the ECA name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by ECA. As applicable, the observations and test/inspection results referenced in this Certificate of compliance are relevant only to the sample tested/inspected.
